

Fleming's Prime Steakhouse & Wine Bar

Allergen Information - November 2024

Introduction

Fleming's Prime Steakhouse & Wine Bar is committed to providing guests with the highest quality food and service. Our allergen information is based on data provided by approved vendors. Due to product substitutions and recipe changes, we cannot guarantee that the allergen information listed will be the same at the time of your dining experience.

All menu items are made to order. Deep-fried items are cooked in a shared fryer, presenting a high risk of cross-contact. We do not recommend fried foods for guests with allergies. Additionally, **soybean oil** is not labeled as a soy allergen per FDA allergen labeling guidelines. Please inform the manager on duty about any allergies.
