An Inaugural Release Exclusive to Fleming's

Paired with _____

  ORANGE OLIVE OIL CAKE

Tasting Notes _____

This one-of-a kind, inaugural release opens with scents of roasted Macadamia nuts. The palate is round, broad, layered and creamy, tasty and toasty. With medium racy acidity, the flavors run clean and pure with a nuance of dried apricots, baked pear, cider, vanilla toast and even a bit of oak spice. Finishes with savory brioche and lingering traces of honeysuckle and apricot.

The creamy & toasty flavors of this sparkling wine highlight the richness and subtle citrus of the olive oil cake. This wine also serves as the perfect palate cleanser to end your meal.
